### Commercial Grade Devices

The devices we offer via our portals are commercial grade that you won't find in a retail store. Built to a higher quality and most coming with 3 year warranty options they are designed to last longer than their retail counterparts.

### \$100 Layby Service

We offer parents a \$100 deposit option to secure a device and let them pay much closer to the delivery date.

### Now Accepting Layby

### Wide range of payment options

We provide a wide range of online payment methods available on our website.

### Hassle Free Quick Onsite Servicing

The student environment often leads to a higher number of repairs. Onsite support at the school greatly reduces frustrations for parents. Getting a retail device repaired usually takes weeks and quite often requires the parent to take time out of their day.

### Accidental Damage Protection

We offer well priced insurance options that give Accidental Damage protection with quick repair times. We use Manufacturers Insurance to help guarantee parts availability.

### 12 Month Payment Plans

12-month payment plans that are approved online via Latitude. These plans can help spread the upfront cost for parents.
