## SOUTH AUSTRALIAN SKILLS ACT 2008

*South Australian Skills Standards*

Pursuant to the provisions of Division 3, Section 26 of the *South Australian Skills Act 2008* and Section 5 of the *South Australian Skills Regulations 2021*, the South Australian Skills Commission (SASC) gives notice of the publication of the South Australian Skills Standards.

South Australia's apprenticeship and traineeship system is underpinned by the *South Australian Skills Act 2008* (the *SAS Act*), the *South Australian Skills Regulations 2021* (the *Regulations*), and the South Australian Skills Standards (Standards).

The 14 Standards came into force on 1 July 2021. Compliance with the Standards is required, and a failure to comply with a provision of the Standards may result in compliance action being taken.

Standards were amended on 1 July 2023.

Standard 9: Transfer of Training Contracts and Substitute Employer. The amendment of 9.8 Transfer Fee in line with the indexation rate (FCIR) for 2023-24 of 4.8% and the associated Legislative Review Committee Report for Provision to Cabinet Office.

Standard 13: Recognition of other Qualifications and Experience in Trades and Declared Vocations has been amended to reflect the requirement that a person can only apply to the Commission for the recognition of a trade or declared vocation that is listed on the Traineeship and Apprenticeship Pathways Schedule excluding higher education apprenticeships and traineeships. The amendment of 13.5 Prescribed Fees in line with the indexation rate (FCIR) for 2023-24 of 4.8% and the associated Legislative Review Committee Report for Provision to Cabinet Office.

The *SAS Act* or the *Regulations* (whichever is applicable) will prevail to the extent that there is any inconsistency with a provision of the Standards.

Each Standard should be read in conjunction with the other Standards and supporting information for employers of apprentices and trainees.

In addition to the requirements under the *SAS Act*, employers must comply with such other laws, professional standards or regulatory frameworks as may apply to their business and industry sector. In particular, these Standards do not override the *Work Health and Safety Act 2012* and *Fair Work Act 2009*.

**Transitional Arrangements**

Transitional arrangements for these Standards will apply, for more detail [www.skillscommission.sa.gov.au/2021-legislation-changes/transitional-arrangements](http://www.skillscommission.sa.gov.au/2021-legislation-changes/transitional-arrangements).

A/South Australian Skills Commissioner  
Office of the South Australian Skills Commission

**STANDARD 9 TRANSFER OF TRAINING CONTRACTS AND SUBSTITUTE EMPLOYER**

This Standard relates to the substitution of an employer of an apprentice or trainee and covers three broad situations in which the Training Contract is taken over by (or transferred to) another employer. Transfer of a Training Contract through the first two situations described below are subject to approval by the Commission. A change of business ownership requires the South Australian Skills Commission (the Commission) to be notified of the change of ownership.

A substitution or transfer of a Training Contract occurs where:

- an apprentice or trainee under a Training Contract established in another state or territory transfers to a South Australian-based employer
- an application is made to the Commission to substitute the current employer of an apprentice or trainee with a different employer
- the Commission determines, on its own motion, to substitute the current employer of an apprentice or trainee with a different employer
- there is a change in the ownership of the business under which an apprentice or trainee is employed.

This Standard applies to the Commission, employers and prospective employers of apprentices and trainees.

**Governance arrangements**

Decisions to approve the transfer of a Training Contract and substitution of an employer are decided by the Commission (or its delegate).

**Compliance with the Standard****9.1 Transfer of Training Contracts between jurisdictions (SAS Act, S45, S48A, Regulation 7)**

9.1.1 In the event an apprentice or trainee under a Training Contract established in another state or territory relocates to South Australia, the *SAS Act* permits the Commission to:

- a) recognise (with or without modification) the Training Contract (and associated Training Plan) as a Training Contract and Training Plan under the *SAS Act*
- b) substitute the employer under the Training Contract with a South Australian based employer
- c) recognise the previous employment and training completed in the jurisdiction
- d) make other appropriate arrangements.

9.1.2 The Commission must decline to recognise the Training Contract of a relocating apprentice or trainee if the proposed new employer is a prohibited employer.

9.1.3 The Commission may refuse recognition of the Training Contract if:

- a) there is no nominated training organisation for the apprentice or trainee
- b) there is no Training Plan relating to the Training Contract
- c) the trade or vocation is not a declared trade or vocation under the *SAS Act* or does not have an equivalent under the *SAS Act*
- d) the proposed employer
  - i. is not registered or has not applied for registration
  - ii. is not operating within the scope of their registration
  - iii. has failed to comply with a condition of their registration.

- 9.1.4 A relocating apprentice or trainee seeking to have their Training Contract recognised and/or the proposed (South Australian-based) employer must notify the Commission as early as practicable (the Training Contract made in another jurisdiction will not be enforceable until the Commission recognises it).
- 9.1.5 Notification of the transfer, via a form determined by the Commission and available at [www.skills.sa.gov.au/business/forms](http://www.skills.sa.gov.au/business/forms), should include:
- name and contact details of the apprentice or trainee and of the previous and proposed employer
  - name and contact details of the training organisation under the Training Contract
  - commencement date of employment with proposed employer
  - a copy of the Training Contract and Training Plan
  - name of the nominated training organisation (if not the training organisation under the Training Contract).
- 9.1.6 The Commission will consider this information in reaching a decision whether or not to recognise the transfer and will advise the applicant(s):
- whether or not the Training Contract is recognised
  - the date from which it is recognised
  - the trade or vocation, or equivalent trade or vocation under the recognised Training Contract
  - conditions (if any) under which the Training Contract is agreed to be recognised.
- 9.1.7 If the Commission has insufficient information to enable it to determine whether a Training Contract is recognised, it will notify the applicant(s) and request further information.
- 9.2 Transfer due to a change of ownership of business (SAS Act, S54 MA)**
- 9.2.1 In the event an owner of a business who employs one or more apprentices or trainees transfers ownership of the business to another employer, the Training Contract continues with the new employer and the rights, obligations and liabilities of the former owner/employer transfer to the new owner/employer.
- 9.2.2 Rights, obligations, and liabilities include:
- to provide training as required by the Training Contract and Training Plan
  - to meet relevant occupational, health, safety and welfare requirements.
- 9.2.3 Both the former owner/employer and new owner/employer must notify the Commission and the NTO of the change of business ownership and consequent transfer of the Training Contract(s) within 21 days of it occurring. Notification is made via a form, determined by the Commission.
- 9.2.4 Notice to the Commission and the NTO should include:
- date of the transfer of ownership of the business (note, an employer must also notify the Commission of an offer to sell the business to which the Training Plan(s) relates and in the event the business becomes insolvent or bankrupt)
  - name and contact details of the apprentice or trainee
  - name and contact details of the former owner/employer and new owner/employer
  - a copy of the Training Contract and Training Plan
  - name of the NTO
  - proof of registration by the new owner/employer, or that the employer has applied for registration.
- 9.3 Substitution of an employer under Training Contract and transfer fees (SAS Act, S54N, S54O, Regulation 13)**
- 9.3.1 An application may be made to the Commission to substitute the employer of an apprentice or trainee and determination of the application may, unless waived or previously paid between the parties to the transfer, invoke a transfer fee payable by the proposed employer to the previous employer.
- 9.3.2 This application may be made by:
- the existing/previous employer (or person on their behalf)
  - the proposed employer (or a person on their behalf)
  - the apprentice or trainee (or a person on their behalf).
- 9.3.3 The application must contain the following information:
- contact details of the parties to the application
  - reason(s) for the substitution
  - the number of employees employed by the business to which the apprentice or trainee is being transferred
  - evidence of the transfer fee transaction or of an agreement to pay the transfer fee, if a request to waive the transfer fee is not made to the Commission
  - if the proposed employer is seeking to have the transfer fee waived (see below for grounds to waive the transfer fee) by the Commission, the ground(s) for waiving the fee
  - if the previous/existing employer objects to the transfer, reasons for the objection.
- 9.3.4 The Commission may invite the existing employer to provide a written submission about whether the application to substitute the proposed employer should be granted or not, and may make any enquiries of any of the parties about whether the transfer of the apprentice or trainee to the new employer is appropriate in the circumstances.
- 9.4 Application in relation to an apprentice or trainee under 18 years of age**
- 9.4.1 The Commission must be satisfied, in relation to an application to substitute an employer in relation to an apprentice under 18 years of age, that the application is in the best interests of the apprentice or trainee and where the parent(s) or guardian(s) are party to the Training Contract, may enquire about the merits of the application with the parent(s) or guardian(s) of the apprentice or trainee.
- 9.5 Consideration of an application to substitute an employer by application**
- 9.5.1 For the purposes of Section 54N(3) of the *SAS Act*, the Commission must be satisfied that:
- if the proposed employer has consented to the substitution, there is evidence in writing of such consent
  - the proposed employer is not a prohibited employer.
  - the proposed employer is:
    - registered
    - operating within scope of the registration
    - complying with conditions of the registration.

(requirement (i.) is suspended when the proposed employer has applied for registration, and the application has yet to be determined and the Commission is satisfied they are a fit and proper person to enter into a Training Contract. The Commission may inform itself of this question in any way it sees fit).

- d) The proposed employer has paid, or agreed to pay, any transfer fee payable under Section 54O, or that there are grounds for a waiver.

(Note: The Commission may consider information, or a submission provided by the parties, or make any enquiries on its own initiative, on the appropriateness of the substitution. It may consider, for example, whether any coercion or inducement has been applied by any party against another party to agree to the substitution).

#### **9.6 Existing employer may provide a submission on the application**

- 9.6.1 Except where the existing employer is an applicant to substitute, the Commission should, where practicable, have regard to any submission of the existing employer in relation to the application. However, a submission by the existing employer will not be determinative of the outcome.

#### **9.7 Notice of the Commission's decision**

- 9.7.1 The Commission will notify the parties of its decision on the application and will advise whether the application is successful. If an application is successful, the Commission will advise the parties:

- a) the date the substitution is taken to have occurred
- b) the transfer fee payable by the proposed employer to the previous employer, unless waived or reduced
- c) a condition that confirmation of the substitution is subject to an application to register the proposed employer being approved, if applicable.

- 9.7.2 If the application is unsuccessful the Commission will advise the parties of this outcome and the reason(s) for the decision.

#### **9.8 Transfer fee**

- 9.8.1 The transfer fee payable upon confirmation of the substitution being approved outlined in the South Australian Skills (Fees) Notice 2021 is as follows:

##### **Small business (20 or fewer employees)**

First year of Training Contract	\$1,710
Second year of Training Contract	\$3,421
Third year of Training Contract	\$5,131
Fourth year of Training Contract	\$6,841

##### **Medium to large business (21 or more employees)**

First year of Training Contract	\$ 2,138
Second year of Training Contract	\$ 4,276
Third year of Training Contract	\$ 6,414
Fourth year of Training Contract	\$ 8,552

- 9.8.2 For the purpose of Section 54O(6) of the *SAS Act*, the size of the business is to be calculated at the date of the proposed substitution and should include permanent, temporary, casual, part-time, managerial and executive employees in addition to employees on paid leave and workers' compensation.

- 9.8.3 Transfer fees are reviewed annually and increased in line with the standard indexation rate

#### **9.9 Transacting the transfer fee (SAS Regulation 12(e))**

- 9.9.1 The transfer fee is paid directly by the proposed employer to the existing employer and a record of the transaction must be retained by both the previous and proposed employer.

- 9.9.2 A proposed employer must not seek compensation for payment of a transfer fee from the apprentice or trainee under the Training Contract to which the application relates.

#### **9.10 Disputes relating to an application to substitute an employer and payment of the transfer fee (SAS Act, S52, S54O(3))**

- 9.10.1 The Commission, before determining an application to substitute an employer, may direct the parties to the Training Contract to undertake dispute resolution of a specified kind. For more information, parties are referred to [Standard 12, Complaint Handling, Mediation and Advocacy](#).

- 9.10.2 If the proposed employer defaults on payment of the transfer fee, the previous employer may commence proceedings for recovery of the transfer fee from a court of competent jurisdiction. Independent legal advice should be obtained before commencing proceedings for recovery of the transfer fee and note, in this situation, the Commission does not have a role pursuing an unpaid fee on behalf of an employer.

#### **9.11 Waiver of the transfer fee (SAS Regulation 13)**

- 9.11.1 The transfer fee payable by a proposed employer to the existing employer may be waived or reduced in certain prescribed circumstances where:

- a) the transfer is mutually agreed by the proposed employer and the existing employer
- b) it is unlikely that the existing employer will be able to provide employment to the apprentice or trainee for the duration of the Training Contract
- c) it is unlikely that the existing employer will be able to provide the scope of training or supervision necessary for the apprentice or trainee to complete the training required under the Training Contract
- d) it is appropriate to do so in the circumstances.

- 9.11.2 If a request to waive the transfer fee is not made at the same time as the application to substitute the employer, the proposed employer may apply to the Commission for a waiver of the transfer fee within 7 days of the application to substitute the employer.

- 9.11.3 Where a request to waive the transfer fee is made, the Commission may make enquiries of the existing and/or proposed employer to determine whether, in the circumstances, it is appropriate to grant a waiver.
- 9.12 Review of decisions by the South Australian Civil and Administrative Tribunal (SAS Act, S70F, Regulation 20)**
- 9.12.1 The South Australian Civil and Administrative Tribunal (SACAT) has jurisdiction to review a decision of the Commission to approve or refuse a substitution of an employer under Section 54N of the *SAS Act*.
- 9.12.2 An applicant must apply to the SACAT within 28 days of receiving notice of the relevant decision.
- 9.12.3 The SACAT may allow an extension of time to this application period if it is satisfied that:
- a) special circumstances exist; and
  - b) another party will not be unreasonably disadvantaged because of the delay in commencing proceedings.
- 9.12.4 An application to the SACAT to review a decision must be made using the online form available at [www.sacat.sa.gov.au/application-form](http://www.sacat.sa.gov.au/application-form)
- 9.12.5 Fees apply for commencing a review in the SACAT. The SACAT can reduce or waive a fee in a particular case, or in relation to a particular class of applicant, based on financial hardship or where it is in the interests of justice to do so. An applicant may also apply for a partial waiver of the fee if they hold a valid concession card.

### STANDARD 13 RECOGNITION OF OTHER QUALIFICATIONS AND EXPERIENCE IN TRADES AND DECLARED VOCATIONS

This Standard relates to the assessment and certification of a person's qualifications and/or experience in relation to a particular trade or declared vocation, where the person has:

- Not completed an apprenticeship or traineeship but developed the skills and knowledge for a trade or declared vocation through employment and training in an occupation listed on the Traineeship and Apprenticeship Pathways Schedule.
- Gained a trade or declared vocation-related qualification overseas.

This Standard is in accordance with the requirements contained in the *South Australian Skills Act 2008* (the *Act*).

Recognition arrangements outlined in this Standard are not provided for the purposes of migration. Individuals requiring skills assessment for the purpose of applying for an Australian visa should seek information from the Australian Government Department of Home Affairs.

The Commission provides certification arrangements for trades and declared vocations that acknowledge employment-based skills outcomes, and also provide recognition for:

- obtaining non-conditional occupational licenses (if a license is required for the purpose of employment in South Australia)
- accessing trade or declared vocation-level remuneration under awards or other industrial agreements
- further career progression and up-skilling
- recognising overseas-qualified applicants.

The Commission does not award qualifications under the Australian Qualifications Framework (AQF), or occupational licenses. Individuals are responsible for acquiring these if required.

#### Governance arrangements

Under Section 70A of the *Act*, a person may apply to the Commission for recognition of the person's qualifications or experience in relation to a particular trade or declared vocation (not being qualifications obtained under a Training Contract).

Under Section 70B of the *Act*, the Commission, if it is satisfied that an applicant for recognition of qualifications or experience in a particular trade or declared vocation has acquired the competencies of the trade or declared vocation, may:

- Determine that the applicant is adequately trained to pursue that vocation; and
- Certify to that effect.

Where the Commission determines that an individual competency assessment is required, the Commission will utilise any appropriate skilled or experienced person or body to undertake the competency assessment of applications and may engage with appropriately skilled or experienced persons or bodies to provide any other advice to the Commission in relation to applications for the recognition of qualifications or experience.

This Standard is limited to the recognition of qualifications or experience in the trades and vocations declared by the South Australian Skills Commission as listed on the Traineeship and Apprenticeship Pathways Schedule, excluding higher education apprenticeships and traineeships.

#### Compliance with the Standard

##### 13.1 Criteria for certification

- 13.1.1 The assessment arrangements for an application for a Certificate of Recognition must have regard to:
- a) the need to maintain a satisfactory level of equivalence to the standards and outcomes of the relevant nationally endorsed qualification
  - b) the breadth, depth and currency of employment experience required for trade or declared vocation recognition.
- 13.1.2 In the case of an overseas qualification, the assessment arrangements must establish a satisfactory level of equivalence between the overseas qualification and requirements for trade or declared vocation recognition in Australia. The assessment may lead to a recommendation that an overseas qualification is equivalent, contingent upon the satisfactory attainment of specified units of competence from an AQF qualification.

##### 13.2 Application process

- 13.2.1 A person may apply to the Commission for recognition of their qualifications (not being obtained under a Training Contract) and/or experience in relation to a particular trade or declared vocation.
- 13.2.2 An individual may have acquired the skills and knowledge for a particular trade or declared vocation through any combination of:
- a) employment
  - b) training in a qualification aligned to a particular trade or declared vocation in South Australia, or
  - c) other training that allowed the person to develop skills related to the trade or declared vocation in question.

- 13.2.3 An application must be made using the application form and must be accompanied by:
- a) such supporting information and documents as are stipulated in the application form
  - b) the prescribed fee.
- 13.3 Assessment of applications (SAS Act, S70A)**
- 13.3.1 To determine whether the applicant has acquired the competencies of the relevant trade or declared vocation, the Commission may require the applicant to:
- a) Undertake an examination or test; or
  - b) Undergo an independent competency assessment of a kind specified by the Commission.
- 13.3.2 The Commission may, in determining the application, seek advice from any person or body who, in the Commission's opinion, has special knowledge of, and experience in, the relevant trade or declared vocation.
- 13.3.3 In determining whether a person has acquired the competencies of the trade or declared vocation the Commission must have regard to:
- a) The length of time the applicant has been working in the relevant trade or declared vocation
  - b) The nature and duration of any instruction or training received by the applicant in the relevant trade or declared vocation
  - c) The nature of any qualifications held by the applicant in relation to the relevant trade or declared vocation
  - d) Any advice received from a person or body under section 13.3.2 of this Standard.
- 13.3.4 If the Commission, or delegate, determines that the applicant requires further training to acquire the competencies of the relevant trade or declared vocation, it may refuse to make a determination until it is satisfied that the applicant has satisfactorily completed such training.
- 13.3.5 Any training undertaken to acquire the competencies of the relevant trade or declared vocation will be at the individual's expense.
- 13.4 Issuance of a Certificate of Recognition (SAS Act, S70B)**
- 13.4.1 The Commission will determine whether it is satisfied the applicant has acquired the competencies of the relevant trade or declared vocation and, if satisfied, certify to that effect.
- 13.4.2 The certification issued by the Commission (or appropriate delegate) will take the form of a Certificate of Recognition.
- 13.5 Prescribed fees (SAS Act, S70A, South Australian Skills (Fees) Notice 2021, Schedule 1, cl. 1)**
- 13.5.1 Prescribed fees are published in the South Australian Skills (Fees) Notice 2021.
- 13.5.2 The mechanism for paying the prescribed fee is contained in the application form.
- 13.5.3 The prescribed fees payable for recognition of qualifications and/or experience in relation to a particular trade or declared vocation are:
- a) \$534 for a first or initial assessment
  - b) \$1,069 for a competency assessment or examination or test
  - c) \$ 214 for a second or subsequent assessment.
- 13.5.4 Under the *South Australian Skills Regulations 2021* (the *Regulations*), the Commission has the ability to:
- a) waive the prescribed fee in full, or
  - b) charge 80 per cent of the fees specified in Clause 13.5.3 (in effect, a 20 per cent reduction in the fees).
- 13.5.5 Application fees are reviewed annually and increased in line with the standard indexation rate.
- 13.6 Review of decisions by the South Australian Civil and Administrative Tribunal (SAS Act, S70F)**
- 13.6.1 The South Australian Civil and Administrative Tribunal (SACAT) has jurisdiction to review a decision of the Commission to refuse an application for recognition of a person's qualifications or experience under Section 70B of the Act.
- 13.6.2 An applicant must apply to the SACAT within 28 days of receiving notice of the relevant decision.
- 13.6.3 The SACAT may allow an extension of time to this application period if it is satisfied that:
- a) special circumstances exist
  - b) another party will not be unreasonably disadvantaged because of the delay in commencing proceedings.
- 13.6.4 An application to the SACAT to review a decision must be made using the online form available at [www.sacat.sa.gov.au/application-form](http://www.sacat.sa.gov.au/application-form).
- 13.6.5 Fees apply for commencing a review in the SACAT. The SACAT can reduce or waive a fee in a particular case, or in relation to a particular class of applicant, based on financial hardship or where it is in the interests of justice to do so. An applicant may also apply for a partial waiver of the fee if they hold a valid concession card.
