

APPLICATION: DISCHARGE WATER INTO DRAINAGE OR SUPPLY SYSTEM

Return by fax to: (03) 5898 3305, email customersupport@murrayirrigation.com.au or in person at Deniliquin or Finley Office during office hours

The form is used to apply for approval to discharge water into Murray Irrigation’s drainage or supply system. If drainage system is available, customer must discharge into drain and not supply system.

Discharge into the drainage or supply system can only be commenced after approval has been received from Murray Irrigation. Murray Irrigation may impose conditions on the discharge of water into the drainage or supply system.

All pumps used to discharge water to the drainage or supply system must be removed at the end of the approval period.
