Circulars are available at www.lsv.com.au/circulars

LSV has been closely monitoring the Government's advice and response to COVID-19. Our key priority is the health and safety of our staff, volunteers, stake holders and partners whilst we continuously monitor the rapidly evolving situation.

The following information provides an update to members for the scheduled upcoming Blue Connections Session.

Unfortunately, we advise the decision has been made to postpone next week's session.

Regarding tickets that were purchased for this session, these can be refunded or can be transferred to another Blue Connections session of your choice.

We are currently working through opportunities to go online to offer blue connection in the most meaningful way as a priority and hope to be able to provide an update shortly.

We understand that this is a difficult time for everyone, as hope to be able to bring our People together for Learning, Sharing and Growing whether online or in person soon.

Thank you for your understanding and ongoing support. We look forward to continuing to support your development into the future.
