

HEY YOU MOB!

**HAVE YOU USED FAMILY
VIOLENCE SERVICES?**

**DO YOU WANT
TO SHARE YOUR
IDEAS TO HELP
CREATE CHANGE?**

Djirra and Safe + Equal are working to support
a culturally responsive and accountable
specialist family violence sector.

We want to hear your views on non-Aboriginal
family violence services, how they can
support Aboriginal people's choices and
culture and be accountable to community.

Your time is valuable to us:
we are offering **\$100** for your participation.
