# K-12 COLLEGE UNIFORM

Corpus Christi College is very proud to present its new K-12 Uniform.

The uniform is a celebration of our newly formed K-12 community and acknowledges the rich traditions of the past whilst integrating contemporary designs and fabric technologies to ensure a deep sense of pride, comfort and inclusivity. It is a natural progression from previous uniform designs, recognising our storied past whilst looking to the future.

As a progressive Catholic school, we courageously respond to the dynamic nature of the current global landscape by creating a modern, holistic, learning environment, which fosters a sense of agility and a genuine love of learning. This philosophy has underpinned our design process in developing a uniform that promotes belonging and instils confidence in students, enabling them to fully involve themselves in the life of the College. The uniform ensembles will support students to actively pursue their interests and learning pathways with passion, energy and enthusiasm.

The uniform design draws on the extensive feedback provided from the College community to ensure a sense of ownership, versatility and functionality. We are advocates of student agency and have valued their strong voice in the development of the uniform.

In fulfilling our Mission of celebrating the uniqueness of all within our diverse community, our uniform 'wardrobe' recognises the individuality of students and provides opportunity for choice on how they would like to proudly represent the College each day. It recognises the early years phase of development and offers a consistency of design between the Junior and Senior schools to promote sustainability for families and a sense of connection across the school.

Our new K-12 College uniform connects our students to an illustrious history and celebrates the continuation of our story. It is a visible symbol of Corpus Christi College and inspires all within our community to live out our values of courage, commitment and compassion and to strive toward our vision of being Outstanding for Others.

# IMPROVEMENTS AND INNOVATIONS

The feedback received from our College community identified a number of uniform items which have been improved in the new K-12 College Uniform range.

## FABRIC SELECTION

The College has discontinued the use of woollen fibres in the trousers and the jumpers for students. This was strong feedback we received in the consultation phase and are pleased to announce this has been replaced with a Poly/Cotton blend for improved comfort.

## FABRIC DESIGN

The College has worked closely with our supplier, Permapleat, to ensure the latest in fabric design and technology has been incorporated in the new uniform range.

**Trousers and Shorts** in the formal uniform range are manufactured from the Milano Gaberdine fabric, which is an innovative and advanced fabric which is high performance, low pilling, has superior drape and soft feel. It delivers a high level of durability.

**Sport and House Polo Shirts** in the sport range are manufactured from Protex fabric which incorporates 50% cotton. The College has moved away from 100% Polyester fabrics for these items. The Protex fabric is manufactured for cool comfort and high performance. It is knitted with 50% cotton on the inside to ensure comfort and wick away moisture. The polyester blended ensure colour fastness and achieves the highest UPF rating of 50+.

**Sport Shorts and Tracksuit Pants** in the sport range are manufactured from Microtex microfibre fabric. This fabric has been developed for comfort and durability and is treated with a water repellent. It repels moisture without compromising durability.

**Shell Jacket** provides additional warmth for students and repels water. A modern garment which proudly promotes the image of the College.

## COMBINATIONS

The College have incorporated a play-based uniform for the Kindergarten to Year 2 year levels to support comfort for our students.

The College have allowed additional combinations to ensure student preference is considered, for example, students are able to wear socks with winter skirt instead of stockings/tights. Students have the option to wear short or long sleeve shirts in summer and winter, depending on their preference. This is supported by the newest fabric for the jumper pullover which is a Poly/Cotton blend.

# TRANSITION

## TRANSITION PERIOD

The College is providing a two-year transition period for students to adopt the new uniform. The new uniform range will be required to be worn by all students from 1 January 2026.

## NEW STUDENTS 2024

All new families who commence at Corpus Christi College in 2024 are strongly recommended (but not required) to purchase the complete new set of the new range of College uniforms. All new families may choose to purchase or reuse old uniforms as long as they are worn in the combinations detailed in the following pages.

## YEAR 1 & 2 STUDENTS IN 2024

The style of uniform for Year 1 and Year 2 students has changed significantly from a formal winter and summer uniform with a separate sport uniform to a single play-based uniform. Therefore, families are strongly encouraged to consider purchasing the new uniform in support of your child's learning in a play based environment in these early childhood years.

## YEAR 10 STUDENTS IN 2024

As 2026 will be your last year of school at Corpus Christi College, it is understood that purchasing new uniform items for one year is not sustainable or affordable for some families. It will be acceptable if there are some old uniform items still worn by this cohort.

## DISCOUNTED UNIFORMS

The College has discounted all items of uniform which will be discontinued from 2026. These have been discounted at a rate of 50%. Please note, if you do purchase any items new which are discounted, these can be worn for 2024 and 2025 only. The new uniform will be required to be purchased for wear in 2026.

For Junior School families, Permapleat have been instructed to discount Yidarra Catholic Primary School and re-branded Corpus Christi College items by 50% in preparation for the new K-12 College uniform launch.

## FREQUENTLY ASKED QUESTIONS

### *When do I need to purchase the new uniform?*

The new uniform will be on sale for the beginning of the 2024 school year. There is a two-year transition period where the old and new uniforms can be worn (2024 and 2025), but only the new uniform can be worn from the beginning of 2026.

### *Can my child wear the old uniform with the new uniform?*

From the beginning of 2024 through to the end of 2025, students can wear either the old or the new uniform. It is preferred and recommended that students either wear all new uniform items or all old uniform together, however it is understood certain items will be transitioned quicker than others.

### *When will the new uniform be available for purchase?*

The new uniform will be available for purchase from January 2024. Until then, the discontinued uniform items are available for sale which have been discounted by 50%.

### *What will the new uniform cost?*

An itemised pricelist of the new uniform items will be uploaded to the College website by 8 December 2023. The items of the uniforms will be similar in cost to the existing range of items. It is expected that families with students in Kindergarten to Year 2 will save money due to the same uniform items being able to be worn across the Summer and Winter seasons.

### *Will the old uniform still be available for purchase?*

Yes, subject to stock availability. Whatever stock is on hand will be available for sale however there will be no further stock arriving for the old uniform. We expect that limited supplies of the old uniform will be available for sale until the end of 2025. All discontinued stock is being discounted by 50%.

### *What are the rules about wearing the uniform?*

The updated Uniform procedures and guidelines will be available on the College website by 8 December 2023.

### *Are there compulsory items?*

Yes. The items listed in each of the sections Summer Uniform, Winter Uniform, Sport Uniform and House Uniform are compulsory. The optional items section of each page identifies items of the uniform range which can be purchased but are not a required item.

# TRANSITION

## FREQUENTLY ASKED QUESTIONS

### *Why are there three different backpacks?*

There are currently three sizes of backpack available for the students. All backpacks may be used in any year level however recommendations have been included in the guide for the Kindergarten – Year 2 students. The range of items has been selected to account for individual student needs, stature and preference.

### *I am a new student/family who is joining the College next year. May I buy the old uniform?*

Yes, the old uniform is available for purchase. However, it is highly recommended new families purchase the new uniform as any old uniform items purchased can only be worn during the two year transition period.

### *What are the arrangements with pre-loved uniforms?*

The College has discontinued the pre-loved uniform function within the Uniform Shop due to the launch of the new K-12 College uniform. Parents are welcome to purchase items from Facebook groups listed below:

- Junior School 'Yidarra Buy and Sell' Facebook group  
please visit: [www.facebook.com/groups/1751658964942785](https://www.facebook.com/groups/1751658964942785)
- Senior School 'Buy and Sell' Facebook group, please visit:  
[www.facebook.com/groups/CorpusBuyAndSell](https://www.facebook.com/groups/CorpusBuyAndSell)

### *What about bathers/swimming attire for students?*

Students are not required to purchase College branded bathers/jammers unless they are representing the College at external competitive swimming events such as the ACC Swimming Carnival.

Students who are participating in water sport and activity are required to wear one-piece bathers or speedos which are blue or black in colour. Students are permitted to wear the College sport shorts over their bathers and rash vests are acceptable.

# TRANSITION

## FREQUENTLY ASKED QUESTIONS

### *What colour shoes are required for the sport uniform?*

Students are required to wear sport shoes with a non-marking sole, in modest colours, which are appropriate for sporting activity. Extreme colours, fluoro colours, street shoes or casual shoes are not permitted to be worn. Students in Kindergarten to Year 2 are recommended to wear shoes with Velcro closures.

### *What shoes are required for the formal uniform?*

Students are required to wear black lace up shoes of a formal style. No black trainers are permitted to be worn with the formal uniform.

### *Where can I find information regarding the new uniform?*

<https://www.corpus.wa.edu.au/k12-uniform>

The website has information about the new uniform. It will also include a link to the latest version of the Uniform Launch document for the community. Any updates or clarifications regarding the information provided will be available at this address.
