Advice to Patient/Whānau

Driving Advice

Seek medical clearance from your GP before resuming driving
You are not permitted to drive for at least
6 months

Return to Work Advice

This is some advice regarding your return to work

ACC Details

ACC Injury Claim Form Number (ACC 45/46N)
XX999999

ACC Contact Details

These are contact details for ACC

Concussion/Traumatic Brain Injury Advice

Do not return to contact sports until reviewed with your concussion provider or GP

Referral to ACC Concussion Service

Provider Unknown

If you have not heard from your concussion service provider within two weeks contact your recovery team member or ACC.

Please follow your discharge recovery advice instructions. If you feel your symptoms are getting worse despite rest and you are unable to carry out your day-to-day activities and tasks, then contact your GP clinic in the first instance. Keep track of your symptoms and share this information with them.

In a medical emergency, go to your nearest hospital emergency department or call an ambulance (dial 111).
