

Book of Achievements 2019

Parent's Association

Syndal South Primary School

The purpose of this book is to fondly look back on the Syndal South Primary School (SSPS) Parent's Association (PA) events for 2019. We look forward to achieving this and more in 2020. It is our honour to have you in the PA team, come join us.

We dedicate this book to our parents, grandparents, carers, teachers and friends who contribute their time, effort and love to build a better place for our school, children and community.

Thank you.

Our first PA meeting in 2019. We keep our PA meeting information, events and schedule updated on School Rocket and Compass from time to time. Check out the Compass invitations on when the PA is meeting and how to get involved in the volunteer working group.

PA meetings are scheduled every month on an afternoon or evening basis. All parents are welcome to join the meetings to share your ideas and feedback, and to get updated about PA and school events. Meeting Agenda, Meeting Minutes and Treasurer Report will be shared to all the PA members every month.

To get more information about the PA team, email to us: pa@syndalsp.vic.edu.au.

PARENTS' ASSOCIATION

Helping Hands

Helping Hands is a wonderful program run by the Parents' Association (PA). Sometimes things happen and families in our community need assistance. This may include cooking a meal for a family or perhaps helping get children to and from school for a short period.

We need volunteers to go onto a list and if/when assistance is needed the group will be contacted and asked to help. This usually happens only once or twice a year.

Support others during tough times

If you are able to help please contact our Helping Hands Coordinator

Nicki Harwood, email: nickiharwood@gmail.com

thank you for your support.

Other questions or feedback? Email: syndalsouthparents@gmail.com

Thank you Nicki Harwood for continuously coordinating this project to assist families in need.
